FULLBACK KENT STOUGH LEADS PRAETORIANS  
THRU THE SPIRIT RING

# Season

## A Prophecy Comes True

After a disappointing 0-10 '81 season, THE PRAETORIANS and their fans promised a bigger, stronger, more aggressive, WINNING team for 1982.

On the road and at home, THE PRAETORIANS proved to be tough and competitive, losing only three games out of a tough ten game schedule. Of those three losses, two were to much larger 2A schools, Florida Air and Melbourne Central Catholic whose larger squads and more depth, overpowered the Purple. The remaining loss was to Frostproof, District Five champs.

Heart stopping victories were recorded over Wymore Tech (2A), Trinity Prep, Bronson, Rolling Green, Shorecrest, and best of all Lake Highland, the Praetorians' biggest rival.

After last year's losses, victories were sweet.

Sweeter still was seventh place in state rankings ... A first for Heritage

## Three Heritage Players Earn All State Honors

**Defensive Back Kent Stough  
First Team All State — 1982**

By being named to First Team All State Senior Kent Stough makes Heritage football history. He is the first Heritage player in the school's 13 year existence to be named to a first team position. Great going Kent. You gave us alot of exciting moments!

**Princeton  
Studstill**

Special  
Mention

## 3 Orlando players named to Class A all-state team

Brian Butler of Orlando Trinity Prep, David Rider of Orlando Lake Highland Prep and Kent Stough of Orlando Heritage Prep never got the opportunity to participate in the Class A high school football playoffs.

But these three did enough to ensure their selection to Florida Sports-writers Association's first-team all-state — a team composed of seven players from state champion Belle Glade Glades Day and runner-up Baker County.

This season Lake Highland lost to Heritage Prep, 12-7, when Heritage was seventh in the state, and Ruby knows one of the reasons.

"Kent Stough is a tough, hard-working athlete," said Ruby, who remembers Stough best for snuffing out two reverses from his defensive back spot.

**Randy Eisenhardt**

# HOOPING IT UP

Basketball is Heritage's most enjoyed indoor sport. Every game provided Praetorian fans with cardiac-arresting-down-to-the-wire excitement. Though new at his job, Coach Rudy Webber understood what to do in critical situations and more than once THE PURPLE pulled a game out of the fire. The PRAETORIANS played aggressively and well. Speed and sure-shooting and skillful ball-handling brought the PRAETORIAN CAGERS a very successful season. BRAVO!! Basketball is alive and well and thriving on the Heritage campus!

SCENES FROM THE SEASONS

"I never thought it would end like this "

Senior Quarterback, Randy Eisenhardt watches his teammates hold off the Bulldogs of Bell High School as the last game of the season comes to an end. Before leaving the game with a leg injury, Eisenhardt scored the lone touchdown of the night giving the Praetorians another victory in an already successful season.

Watching the clock tick away his high school football career, Eisenhardt spent the entire second half on the bench. It's strange, he said afterward. "I never expected it to end this way — on the sidelines — that's the part that hurts not the leg."
